

NORTHERN CALIFORNIA

NEST BOX PROJECT

Presented by Streamline Planning Consultants

AN EFFORT TO REVITALIZE OUR NATIVE CAVITY-NESTING BIRDS!

WHAT WE DO:

1. Build, install, and monitor nest boxes around the county
2. Educate our residents on the need for these boxes
3. Teach workshops on how to build, install, & maintain them

For more information contact Sam Polly, visit our website, or join us at the next chamber mixer!
